In the month of October, a season's tale
unfolds,
As nature's palette shifts, vibrant colors
behold.
The weather turns cooler, a crispness fills the
air,
Leaves cascade like confetti, a dance without
a care.
Children's hearts flutter, counting days with
glee,
Anticipating Halloween, a night of mystery.
The sun's rays wane, as twilight gently sweeps,
Shorter hours of daylight, as the world slowly
sleeps.
October's charm enchants, a magical embrace,
A symphony of change, in this transient space.
With each passing day, a glimpse of nature's
art,
October's beauty whispers, etching memories
in the heart.
